ICONIC and INSPIRING

The 'Castle' was created from the love of one young man for his bride. He agreed that she was so special that she deserved to live in a 'castle'. In 1872 this young man, U It red Knox, commissioned the finest architect of that time, James Franklin Fuller, who also designed Ashford Castle, Kylemore Abbey & Farmleigh House.

Mount Falcon's current owners, the Maloney Family, fell in love with the Estate and transformed it into one of the top hotels in Mayo. The owners have invested heavily in an on-going restoration programme and have ensured that the integrity and charm of the Estate has been completely retained.

TESTIMONIALS

"We were both delighted with how the day went. All of the staff were incredibly helpful and attentive - they really made us feel like it was a special occasion and I know all of our guests felt the same. We appreciate that having so many family members there can be a little demanding but nothing was an issue and everyone felt very welcome.

We had a lot of comments on how great the food was, and we were really impressed with how all the food was on the day. Having everyone together for breakfast was also really nice, particularly when it meant our guests in the lodges could all come up to the hotel and recall the previous night's fun! The hotel and grounds are a beautiful place to host a wedding, and the setting was just what we wanted. It meant we could have exactly what we had hoped for - a weekend with all of our friends and family and a party in a beautiful location. This was really made possible by everyone involved from Mount Falcon, and a big thank you again, to our coordinator Alan. He was a great help to us both at every stage."

TESTIMONIALS

“Mount Falcon is the perfect venue for a relaxed intimate wedding. The grounds of the hotel are beautiful. The manor itself is stunning! I love the open fires and cosy snug rooms. The bridal suite is beautiful and so spacious with gorgeous views.

We had the most fantastic wedding day and enjoyed every moment of it. The day was filled with joy and happiness with a lovely relaxed atmosphere we just felt totally at ease. We booked the Falconry which was thoroughly enjoyed by us and our guests we would highly recommend it. The food throughout the day was delicious!

They were extremely professional and thorough which made our day go so smoothly. On our wedding day Alan was such a great help with little touches, his attention to detail is excellent. Alan was there all day checking in with us, he is a gentleman.

We would highly recommend Mount Falcon for a wedding or indeed any special occasion it is a beautiful place.

Thank you for making our day so special.”
